

Sports Premium 2016-17

The government provided additional funding for the academic year 2016 to 2017 to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school Headteachers. It is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must spend the additional funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

In 2016-17 Holy Trinity Primary School received £8870 to spend on additional PE provision.

The money was being spent as follows:

Key objective	Initiative	Partners	Impact	Cost
1. Multi-skills/ team sports -To improve the quality of sports /games provision in the school. To provide high quality sport tuition for all children. To provide CPD for our class teachers	Hakinakina provision from Luke Naughton and colleagues one day a week for classes 1-5 all year. To provide in-house CPD for staff to learn from specialists.	Hakinakina sports specialists work alongside school PE teacher to plan and deliver lessons that build up skills and progression.	*Children have further developed their sports skills. *Excellent progression for all classes is built upon in the following terms. *Pupils feel more confident and able to use and apply these skills in borough wide competitions	£4833
