**Ofsted Says We're Good; the DfE Says
We're in the Top 2% of Schools!!**

Extracts from a letter from the Rt Hon Nick Gibb, Minister for Schools:

Dear Mrs Lloyd-Wright,

"I would like to congratulate you, your staff and your pupils on the very high level of progress that pupils have made in their reading, writing, and mathematics. This means that your school is amongst the top 2% of schools in England in terms of the progress your pupils make between Key Stage 1 and the end of Key stage 2. Thank you for your hard work and professionalism in producing such high standards"

Thanks for the letter Mr Gibb. It's always nice to be told how well we are doing!

The Debate – Graffiti: Art or Vandalism, by Hansel Kyeame.

It was a normal day; walking into school, waiting for people to arrive. As the long hand hit the four, it all changed; we were off. We were on our way to Christ Church. It took about 15 minutes to get there and when we arrived, two kind children escorted us to the Year 6 classroom where we split up into two groups 'for' and 'against'. Holy Trinity and Christ Church did a ping-pong style debate, which ended very quickly. We were finished arguing, we all socialised; we had drinks and cookies.

Later on, we had playtime there. We all had fun and when a ball went into the playground, we played a big football match. It ended 2-1 to us. It was a great day.

More Tales From Year 6; this time with Michael Morpurgo!

'Tales of our Community' Night

By Samson Adom

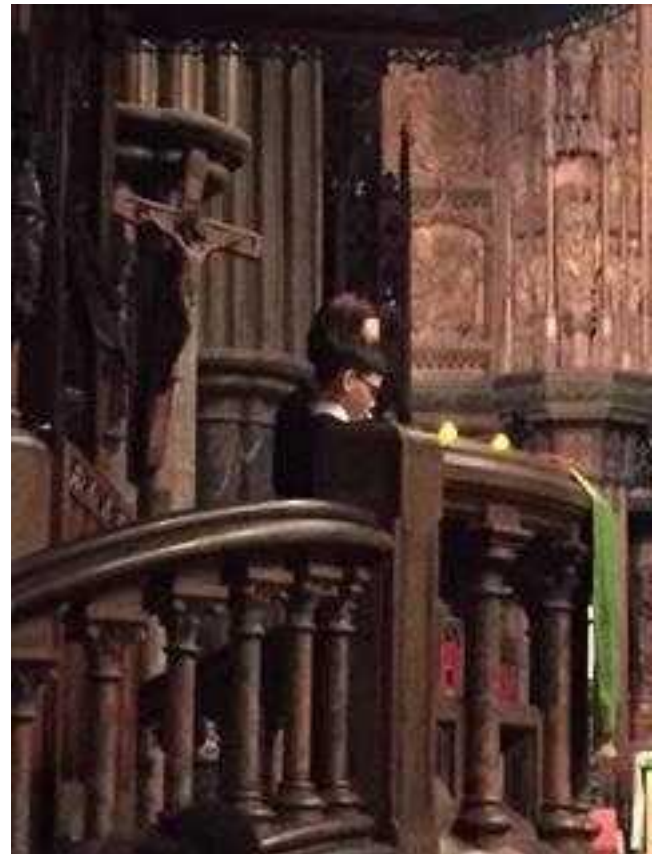

A couple of days ago, we went on a trip after school. It was the 'Tales of our Community' night and our community told stories. We were meeting up to share these stories and see all the artwork and Michael Morpurgo was going to be there!

Firstly, children from other schools told their stories, which included things like 'The Surprise Holiday' and one about how they won a swimming competition. It was then time for someone in our class to read. Cole was up to challenge! He told a story about his first day at nursery and how he grew stronger and more independent when his mum left him there. Next, Michael Morpurgo told a story about how he had to perform in a play, which he loved so he practiced a lot! He liked it but he had trouble singing a love song to someone because he actually liked her... In the end, everything turned out well for him.

Finally, we all got pictures with Michael Morpurgo and ate many homemade biscuits and other treats.

Where will these debating skills lead our Year Sixes? Pietro (above) looks like he is destined for the Houses of Parliament...

Cole (Year Six) reading his story to a packed church, including the master storyteller, Michael Morpurgo. How daunting!!
