

Holy Trinity CE Primary School, Sedding Street, London SW1X 9DE

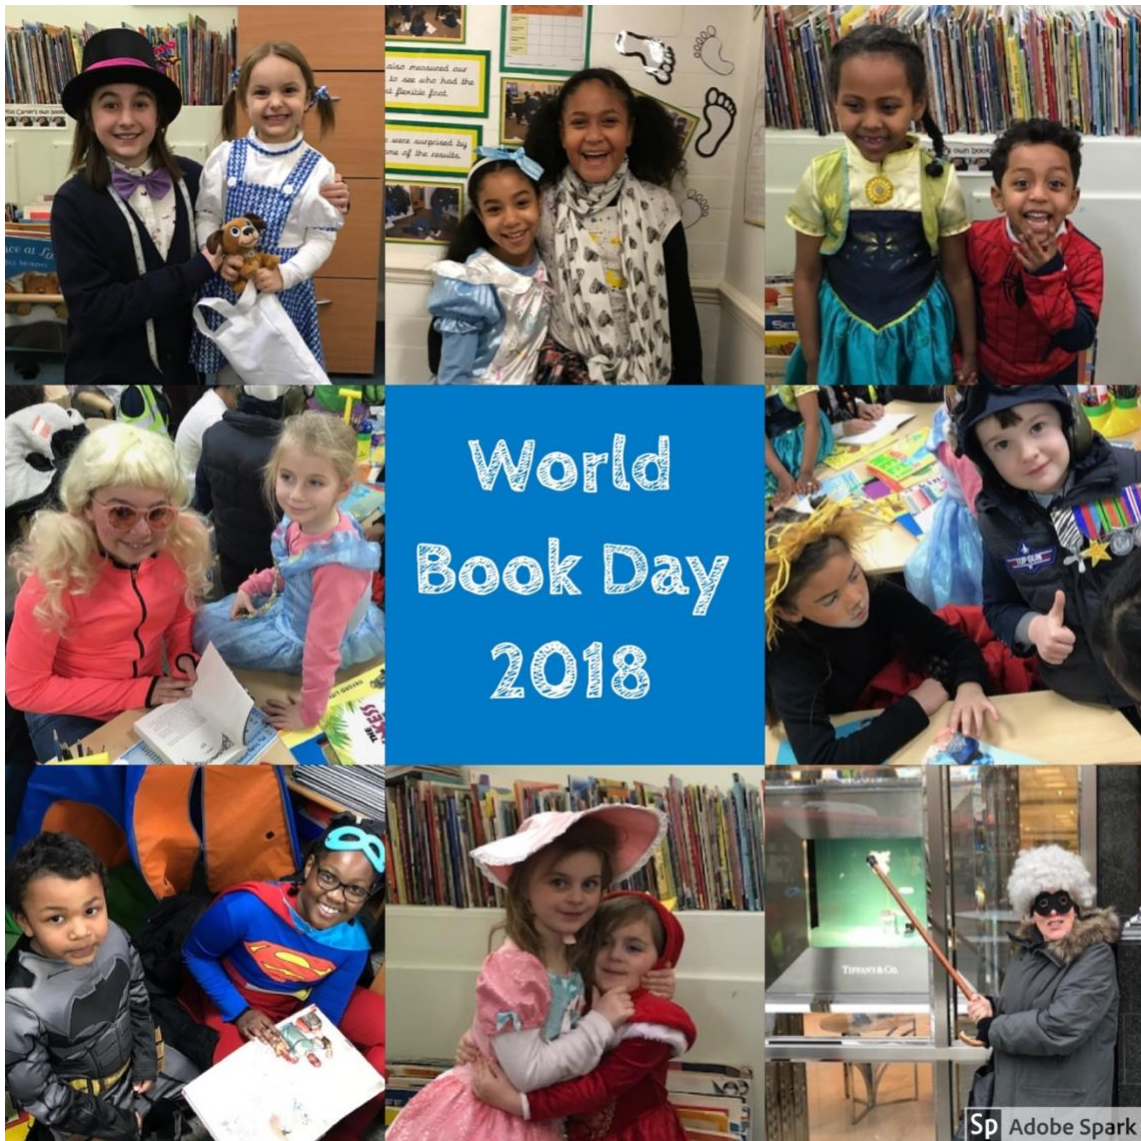

Email us: info@ht.rbkc.sch.uk phone us: 020 7881 9860

Headteacher: Mrs. D. Lloyd Wright

Our virtues:

Love, selflessness, generosity, patience, peace, fortitude.

Fortnightly Newsletter – 9th March 2018

Well done to everyone who came dressed up as a book character. There were some amazing outfits. Don't worry, Gangster Granny sent all her swag back...

The Voice Star Returns to HT!

Former pupil Oke, entertains Sedding children with duet partner Ant.

Holy Trinity Junior children were entertained by ex-pupil, Oke Omoniyi, and his duet partner Ant. They performed their audition song, Sunday Morning, as well as their own material and left teachers and children in awe of their voices and their charm. We all wish them success in the competition and hope they return, as champions, later in the year.

Jehzane, Y3, was one of the many children delighted to be able to meet Ant and Ox..

Marching for the Marsden

Congratulations to Mrs Emerson, Mrs Sheahan, and Miss Walden and her mum, who walked the whole of the Marsden March route, on Sunday, March 4th. This was a remarkable achievement, but considering the weather conditions leading up to the event, it is even more amazing that there were able to complete the course. Miss Walden said the march was “exhausting but rewarding, fun and thought provoking. Reading people’s reasons for walking the 14 miles was inspiring”

If you would like to donate to the Holy Trinity Walkers, [click here](#)

Following the evacuation of Sedding Street.

Well done to all those who sprang into action to help or change their plans, after the difficulties Sedding Street children faced last Friday. As you may be aware, we experienced a gas leak and had to evacuate to the Church. The children dealt with this calmly and sensibly, and visitors to the church commented on how well behaved we all were! It is also difficult for many parents to change their plans, and while the closure of the Juniors may have been inconvenient, it was a the only sensible step to take, following the advice we received. Thank you all very much for your understanding.

E-Safety session for parents.

Tuesday 13th March – 9.15am
In the Sedding street (KS2) Library

New Date for the Evening Session

Following the cancellation due to poor weather last week, we have managed to rearrange the evening session:

Tuesday March 27th 5.15. Sedding Street Classroom.

A crèche will be provided.

Easter Service – Weds 28th March 2pm
Come dressed in celebration clothes and...
Please bring an Easter Bonnet!!

We will be celebrating the Easter story in Church on the 28th. To make this event a special occasion, we would like children to make and bring in an Easter bonnet.

There are loads of starting ideas, [but here are a few](#) to get you going...

Clean Air Parents' Network

**Are you concerned about the impact of air pollution on children's health?
Do you want to join forces with other parents and carers to clean up the air our children breathe?**

Join the [Clean Air Parents' Network](#).

The [Clean Air Parents' Network](#) is a national project run by [ClientEarth](#) and the [British Lung Foundation](#). We are calling on all levels of government to take action to tackle illegal and harmful levels of air pollution to protect the health of people across the UK.

Children across the UK are exposed to dirty air every day, with hundreds of schools across the country located near roads with illegal and harmful levels of air pollution.

Children's lungs are still growing and dirty air can stunt their lung development. This damage may never be reversed and could put them at higher risk of developing further health problems in later life.

Air pollution is a huge national problem but it can be solved.

We need to join together to let politicians know that they must take bold and urgent action to clean up the dirty air that our children are breathing.

[Sign up](#) to the Clean Air Parents' Network and become part of a national network campaigning for more action to be taken to tackle the harmful and illegal levels of air pollution so that children can breathe cleaner, healthier air.

Or email Catherine Maguire, ClientEarth Community Campaign Network Co-ordinator for more information:
